Section 9: Enactment

This Act is hereby enacted into law by the TREDT Legislative House on 29th January 2024.

Act XXXI: Abolition of the Union Governor's Pass of Legislature Act

Presented by the Honorable Members of the TREDT Union
To the TREDT Legislative House

Preamble

Whereas, the principle of democratic governance requires the collective decision-making of representatives duly elected by the members;

Whereas, the current provision granting the Union Governor unchecked authority to pass legislation undermines the democratic process and the will of the members;

Whereas, it is imperative to restore the balance of power and uphold the principles of accountability and transparency within the TREDT Union;

Be it enacted by the TREDT Legislative House.

Sections and Articles

Section 1: Abolition of the Union Governor's Pass of Legislature

(a) The provision granting the Union Governor the authority to pass legislation independently, commonly known as the "Union Governor's Pass of Legislature," is hereby abolished.

(b) Henceforth, all legislative decisions within the TREDT Union shall be made exclusively by the TREDT Legislative House.

Section 2: Prohibition of Unilateral Legislative Action

(a) The Union Governor shall no longer have the power to enact laws or amendments without the approval of the TREDT Legislative House.

(b) Any attempt by the Union Governor to enact legislation unilaterally shall be deemed null and void.

Section 3: Procedure for Legislative Approval

(a) All proposed laws, amendments, or legislative actions must be presented to the TREDT Legislative House for review and approval.

(b) The TREDT Legislative House shall conduct thorough deliberations and voting procedures on all proposed legislation in accordance with established parliamentary procedures.

Section 4: Ensuring Checks and Balances

(a) The TREDT Legislative House shall have the authority to scrutinize and amend proposed legislation to ensure alignment with the interests and needs of the TREDT Union and its constituents.

(b) The Union Governor may still exercise veto power over legislation passed by the TREDT Legislative House, subject to override by a majority vote of the legislative body.

Section 5: Existing as an Overseeing Executive and a Union Executive

(a) The Union Governor shall remain as an overseeing Executive and a Union Executive of the TREDT Union and the TREDT Legislative House.

Section 6: Implementation

This Act shall come into effect immediately upon its passage by the TREDT Legislative House and approval by the Union Governor.

Section 7: Severability

If any provision of this Act is found to be unconstitutional or invalid by a court of competent jurisdiction, such provision shall be severed from the remainder of the Act, which shall remain in full force and effect.

Section 8: Enactment

This Act may be cited as the "Abolition of the Union Governor's Pass of Legislature Act" and shall be enforceable as law within the TREDT Union upon its enactment.

Act XXXII; Regulating Act.

Preamble

An Act to regulate various aspects of governance and commerce within the TREDT Union, ensuring transparency, efficiency, and accountability. Recognizing the need for structured governance and fair-trade practices, this Act seeks to establish mechanisms for electoral oversight, trade regulation, judicial adjudication, and succession planning in TREDT.

Article I: Establishment of TREDT Union Election Commission (TUEC)

i) Establishment of TUEC: There shall be established a body known as the TREDT Union Election Commission (TUEC). TUEC shall serve as an independent regulatory authority responsible for overseeing all electoral processes within TREDT.

ii) Functions of TUEC: TUEC shall have the following functions:

- a. Conducting fair and transparent elections for Union positions.
- b. Issuing Voter Identification Cards (VIDs) to all eligible members of the Union.
- c. Ensuring compliance with electoral laws and regulations.

iii) Composition of TUEC: TUEC shall comprise members appointed by the TREDT Legislative House, ensuring representation from diverse backgrounds and expertise in electoral administration.

iv) Powers of TUEC: TUEC shall have the power to investigate electoral malpractices, impose penalties for violations, and recommend electoral reforms to the TREDT Legislative House.

v) Independence of TUEC: TUEC shall operate independently, free from political interference, to uphold the integrity and credibility of electoral processes within TREDT.

Article II: Establishment of TREDT Union Trade License (TUTL)

- i) Introduction of TUTL: In order to regulate commercial activities within TREDT, all companies operating within the territory shall obtain a TREDT Union Trade License (TUTL) from the designated regulatory authority.
- ii) Issuance of TUTL: TUTL shall be issued upon fulfillment of prescribed criteria, including compliance with trade regulations, payment of requisite fees, and submission of necessary documentation.
- iii) Validity and Renewal: TUTL shall be valid for a specified period, after which it must be renewed by the licensee. Failure to renew the TUTL within the stipulated timeframe may result in penalties or revocation of the license.
- iv) Regulatory Compliance: Companies holding a TUTL shall be subject to regulatory oversight, including periodic inspections, to ensure compliance with trade laws, consumer protection standards, and environmental regulations.
- v) Penalties for Violations: Violations of TUTL terms and conditions shall be subject to penalties, which may include fines, suspension, or revocation of the license, depending on the severity of the offense.

Article III: Establishment of Revenue Court

- i) Creation of Revenue Court: A specialized division of the Imperial Court of Justice for TREDT, known as the Revenue Court, shall be established to adjudicate tax and revenue matters within the territory.
- ii) Jurisdiction of Revenue Court: The Revenue Court shall have exclusive jurisdiction over disputes related to taxation, revenue collection, and fiscal regulations within TREDT, ensuring efficient and equitable resolution of such matters.
- iii) Appointment of Judges: Judges for the Revenue Court shall be appointed based on their expertise in tax law and judicial experience, ensuring impartiality and competence in adjudicating revenue cases.
- iv) Procedural Rules: The Revenue Court shall adopt procedural rules consistent with principles of natural justice, ensuring fair hearings, right to appeal, and expeditious resolution of cases.
- v) Enforcement Powers: The Revenue Court shall have the authority to enforce its judgments, including the imposition of fines, attachment of assets, and issuance of injunctions, to ensure compliance with its rulings.

Article IV: Establishment of New State by Imperial Trading Company

- i) Authorization for New State Establishment: The Imperial Trading Company is hereby authorized to establish a new state within TREDT, subject to compliance with legal and regulatory requirements.
- ii) Announcement of State Name: Upon establishment, the name of the new state shall be announced by Governor General Ishaan Das through official channels.
- iii) Administrative Framework: The Imperial Trading Company shall develop an administrative framework for the new state, including governance structures, public services, and infrastructure development, in accordance with local needs and aspirations.
- iv) Consultation with Stakeholders: The Imperial Trading Company shall engage with local communities, stakeholders, and government authorities to ensure inclusive decision-making and sustainable development initiatives in the new state.

v) Reporting Requirements: The Imperial Trading Company shall submit periodic reports to the TREDT Legislative House regarding the progress and performance of the new state, facilitating and accountability in its governance.

Article V: Response to Company Requests

- i) Timely Response Requirement: Any request made to a company within TREDT shall be responded to within five working days from the date of receipt.
- ii) Fine for Delayed Response: Failure to respond within the stipulated timeframe shall result in a fine of 500 Emeralds, payable to the requesting party, to compensate for any inconvenience or delay caused.
- iii) Exemptions and Exceptions: Certain requests may warrant additional time for consideration, subject to approval by the designated regulatory authority. However, such exemptions shall be granted judiciously and transparently.

Article VI: Governance of Presidential Bills

- i) Timeframe for Presidential Action: The President of the Union shall have a maximum of seven days to review and either approve or reject any bill presented before them for consideration.
- ii) Consequences of Inaction: In the event that the President fails to take action within the prescribed timeframe, the bill shall be deemed automatically passed by the Union Governor, ensuring timely enactment of legislative measures.
- iii) Notification of Decision: The President shall communicate their decision regarding the bill to the TREDT Legislative House and relevant stakeholders, providing reasons for approval or rejection, as applicable.
- iv) Appeal Process: Parties aggrieved by the President's decision may appeal to the TREDT Legislative House for reconsideration, subject to procedural rules and due process.

Article VII: Succession in Presidential Absence

- i) Designated Successors: In the absence of the President, the Vice President shall assume the duties and responsibilities of the President, ensuring continuity and stability in governance.
- ii) Order of Succession: If both the Vice President and Cabinet Minister are absent, the TREDT Legislative House shall designate a Cabinet Minister to act as the interim President until the return of the incumbent or the appointment of a new President.
- iii) Temporary Governance: In rare cases where neither the Vice President nor the designated Cabinet Minister is available to assume the role of President, the Union Governor shall temporarily assume governance responsibilities, maintaining essential functions and upholding the rule of law.

Article VIII: Governance of TREDT SMP

- i) Establishment of Council of Finance: The finance and economy of the TREDT SMP shall be governed by a Council of Finance, comprising experts in finance, economics, and trade policy.

- ii) Role of Council of Finance: The Council of Finance shall be responsible for formulating and implementing policies related to fiscal management, monetary regulation, and economic development within the TREDT SMP.
- iii) Collaboration with Operator: The Council of Finance shall collaborate with the Operator (OP) of the SMP to ensure alignment between financial policies and operational strategies, maximizing the economic potential and competitiveness of the TREDT SMP.
- iv) Transparency and Accountability: The Council of Finance shall operate with transparency and accountability, providing regular reports and updates to the TREDT Legislative House and stakeholders on financial performance, policy decisions, and future outlook of the TREDT SMP.
- v) Safeguarding Economic Interests: The Council of Finance shall prioritize the interests of TREDT SMP participants, ensuring fair competition, consumer protection, and market integrity within the single market platform.

Article IX: Amendment Authorization by Imperial Court of Justice of TREDT

- i) Authorization Requirement: Any amendment to this Act shall require prior permission from the Imperial Court of Justice of TREDT.
- ii) Submission of Amendment Proposal: A proposal for amendment shall be submitted to the Imperial Court of Justice, outlining the rationale, objectives, and potential impact of the proposed changes.
- iii) Judicial Review and Approval: The Imperial Court of Justice shall conduct a thorough review of the proposed amendment, considering its legality, constitutionality, and alignment with the principles of justice and fairness.
- iv) Criteria for Approval: The Imperial Court of Justice shall approve the amendment only if it is deemed necessary, beneficial, and in the best interests of TREDT and its constituents.
- v) Legal Force of Judicial Approval: Upon approval by the Imperial Court of Justice, the amendment shall attain legal force and become an integral part of this Act, subject to compliance with procedural requirements and due process.
- vi) Enforcement of Judicial Decisions: The TREDT Legislative House and relevant authorities shall ensure the enforcement of judicial decisions regarding amendments to this Act, respecting the independence and authority of the Imperial Court of Justice.
- vii) Role of TREDT Legislative House: The TREDT Legislative House shall collaborate with the Imperial Court of Justice in the amendment process, providing necessary information, documentation, and support to facilitate informed decision-making and uphold the rule of law.
- viii) Preservation of Legal Integrity: The requirement for judicial authorization aims to preserve the legal integrity, stability, and coherence of this Act, safeguarding the rights, interests, and welfare of all stakeholders within TREDT.

Enactment

This Act shall be enacted by the TREDT Legislative House with the approval of the Imperial Court of Justice of TREDT and the approval of the Union Governor. This act shall be passed by the President of Union.

Amendments

Any amendments made to this Act shall be first approved by the Imperial Court of Justice of TREDT.

Article XXXIII: Ratification
